Supervisor Knabe made the following statement:

“Camp del Corazon is a medically supervised summer camp located in Catalina Island for children ages 7 to 17 who are living with congenital heart disease. This nonprofit organization provides all services to the children free of charge, as many of the families bear high medical care costs.

“Camp del Corazon will be hosting 300 campers and 125 volunteers for the two, five-day camping sessions from August 27 through September 4, 2007. The volunteers will be departing from the public boat launch in Marina del Rey and will need to leave an estimated 60 vehicles while each camp is in session.

“Camp del Corazon is requesting a fee waiver of the \$5 daily parking fee for an estimated 60 cars to park for 10 days in the Marina del Rey public boat launch ramp between August 27 and September 4, 2007.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Burke, unanimously carried (Supervisors Molina and Antonovich being absent), the Board waived the \$5 daily parking fee for an estimated 60 cars to park for 10 days totaling \$3,000, excluding the cost of liability insurance, at the Marina del Rey public launch ramp for attendees of Camp del Corazon, a medically-supervised summer camp located on Catalina Island for children ages 7 to 17 who are living with congenital heart disease, to be held for two, five-day camping sessions from August 27 through September 4, 2007.
